**AUDIT TYPE:**

Announced Audit

**AUDIT EXECUTIVE SUMMARY:**

The scope of this audit includes a review of the food safety documentation as well as a review of the company's cold storage and distribution operation. The organization stores and distributes for conventional and organic produce and other specialty items, and ships according to customer requirements. Product arrives boxed, packaged, binned and/or palletized, and is stored in its original packaging until released for shipment. The operation is year round. Allergens are handled on site and kept separate from other products. There were approximately 10 employees working on the day of the audit.
